MEAD SENIOR HIGH

MEAD WASHINGTON

I AM YOU'R EVER FAITHFUL GUIDE
YOU'R WISH IS MY COMMAND.
I'll LEAD THE WAY FOR YOU TODAY
THROUGH OUR MEMORY LAND.

We Dedicate the Pine Burr to Eugene Fink, a Man We Admire

During the past six years Mr. Fink has had close contact with almost every student who has attended Mead High. In addition to being choir director, he directs Melodettes, his church choir, and this year was chosen president of the Mead Educational Association. It certainly seems that with all these activities, Mr. Fink would have little time to spare, yet he goes to each activity with vigor as if it were his only one. We have all become very fond of Mr. Fink and cherish his friendship.

Principal, MR. HOBART JENKINS

With Knowledge and Experience,

The sixties are off to a flying start at the den of the panthers. The remodeling and additions to the school are well started. The Student Body is the largest ever and has the most spirit. Everywhere I go I find students are proud of their school and the work they are doing. A school is as good as its students and Mead Senior High is recognized as an outstanding school. 1960 will be a great year. The decade of the sixties promises to be the best decade in the history of the school.

Superintendent, MR. JAMES SONSTELIE

Our Administrators Set the Course

The Pine Burr is an excellent yearbook. It records the many accomplishments of this versatile student body in every realm of student activity.

I've noticed the very fine morale and spirit of the Mead High School Student Body. The student body and faculty of Mead Senior High School impresses me very much.

These are critical times in America. A high degree of Citizenship and academic achievement will be necessary to keep our great country among the leaders of the free world.

May the lessons you have learned in the classroom and in extracurricular activities at Mead spur you on to a rich and satisfying life.

One Decade and Six Years Ago . . .

our students brought forth upon this school a new activity conceived in making fun and raising funds.

Now we are engaged in the memory of another year's wonderful carnival. We have come to celebrate the cherished moment when Sandy and Rich were crowned King and Queen of this year's annual activity.

But, in a larger sense, it was more than just the crowning, just the enormous crowd; it was people, many people all enjoying each others being. This activity will be carried on again next year as in years past, and this carnival of the students, by the students, for the students shall not perish from this school.

EMERGENCY EXIT

Thirty-five speech contest winners from the Northwest began a trip to New York on July 8, 1960. Their purpose was to observe the United Nations in action and to visit our Capitol Building at Washington, D.C. Taking a little more than a month, the students toured Canada, New York City, and saw the scenic country of our own United States.

Come on Team, Let's Go

This year's team was really a "going" one. The seniors were in minority, but the underclassmen held on tight and brought us through a rough season.

The Panthers were a little slow at the first, but they pulled through with banners flying high.

A big disappointment of football season was a forfeit to Newport because of an ineligible player. One of the highlights of this years' games was winning over Chewelah, 19 to 13.

Enthusiasm, determination, loyalty, stamina--all contributed to a successful 1960 season.

Homecoming Activities Add Sparkle to Football Season

Princess Monica

Princess Cheryl

H.C.E. signifies Homecoming Events and as everyone can vouch, this year's was a gala celebration.

S.S. signifies school spirit, which was heard for blocks around at the bon-fire, Oct. 13. Songs were sung, cheers were led, firecrackers were set off, and the dummies were burned in effigy.

H.C.G. stands for Homecoming Game, one that had the coach, the pep, the team, but not the score.

V.B. signifies very beautiful, which was just how Pauline and her royal court, Cheryl and Monica, looked at the half-time coronation.

F.F.F. stands for fun, fun, fun, and that is what we all had at the soc-hop after the game. The royalty was recrowned and we danced into the night.

All in all the Homecoming this year was bigger and better than ever before.

COACH CHALICH

We Have the Coach, Team, Pep, Steam

The boys on the varsity team made a grand showing this season.

We did'nt have much luck with our non-league games, but once we got started in our league games we went like "fire."

The opposing teams gave our boys a run for the title, but there was no stopping "em" once they had the ball in their hands.

The games grew more exciting and exasperating as the season drew to a close.

As this page goes to press we are all in suspense and anticipation about the playoff with Chewelah, March 1, to see which one of us will go to state.

We are all rooting for you, team, and we are all very proud of you!

WE WON! WE ARE ON OUR WAY!

We seniors have reached our goal after four long and memorable years and are now ready to embark on a new and challenging way of life. In order to prepare ourselves for the future, we have entered enthusiastically into school activities such as F. F. A., F. T. A., F. N. A., Thespians and many additional clubs. Participation in the field of sports has been met with cheering crowds, peppy cheerleaders, pep club, band and twirlers while our boys played with every available ounce of strength on to victory and sometimes defeat. Car washes and the never-to-be forgotten Senior - Junior Prom head the list of money making functions we have entered in. Now as we measure for our caps and gowns and say good-bye for maybe, the last time to old friends, we know that the time for growing up into mature men and women has come to pass. As we start on to higher achievement we are glad that we, as Seniors, may some day be able to open and turn back the pages of four happy and carefree years.
